Dear Senator Case:

In July there was an article in the New York Times concerning a CIA study of defense expenditures in other countries. The study related the defense expenditures of the countries to their Gross National Product.

Would it be possible for you to obtain for me a copy of the CIA study -- if not a full copy, as much information as possible concerning it?

I would greatly appreciate whatever you can do in that regard.

Sincerely yours,

  
Douglas H. Bellemore
